

ELITeXPO

Bring More Attendees to your Tradeshow Booth!

Introducing ELITeXPO's XPOTouch, an interactive touch screen program that is both economical to implement and engaging, intuitive and educational to the Tradeshow attendee. This cutting edge technology offers a unique way to capture attention by offering the attendee a mode of entertainment while at the same time educating them about your brand, product and or services.

XPOTouch is a fully customizable, multi-touch application suite that offers a variety of different programs including interactive games and other engaging interactive components. These programs allow your company to showcase its products and services.

Go Paperless and Go Green with E-documentation capabilities. With XPO-Touch's Internet access, your attendee has the ability to mail content in real time straight to their inbox.

The XPOTouch is the perfect way to engage, educate and entertain tradeshow attendee. We like to call it EDUTAINMENT!

Various Screen Sizes Available - 32,42,55 and 65 Inch!
